ABOUT PORTRAITPAY AI

PortraitPay AI is a digital portrait rights management platform. Every agreement is digitally signed and timestamped, creating a verifiable record of the licensing relationship. When you sign a digital licensing contract through PortraitPay AI, the agreement is digitally recorded and stored by the platform, providing tamper-proof evidence of the licensing relationship.

FOUR CONTRACT TYPES AVAILABLE

PortraitPay AI offers four specialized digital human licensing contracts, each designed for a different use case:

1. **STANDARD (Non-Exclusive):** For general commercial and personal use. Fee range: USD 100 - 10,000. Platform fee: 1%.
2. **EXCLUSIVE:** For situations requiring sole rights. Fee range: USD 500 - 50,000. Includes

complimentary legal consultation through our partner lawyer network.

3. ENDORSEMENT: For brand ambassador and celebrity endorsement relationships. Fee range: USD 1,000 - 100,000. Includes face verification at signing.

4. FILM ADAPTATION: For film, television, and content production use. Fee range: USD 5,000 - 500,000. Includes platform-managed automatic revenue split.

HOW TO SIGN A CONTRACT

Step 1 — Register: Create a free account at portraitpayai.com and complete your profile.

Step 2 — Upload Portrait: Upload a clear, high-resolution portrait photo. The system will generate a 128-dimensional face vector stored in our database and a SHA-256 hash stored with the record.

Step 3 — Select Contract Type: Choose the contract type that matches your intended use. Each contract clearly states the license scope, fee range, and permitted uses.

Step 4 — Face Verification: For Endorsement and Film Adaptation contracts, Face verification is required at signing to ensure authenticity.

Step 5 — Digital Signing: Both parties review the contract terms and sign digitally through the PortraitPay AI platform.

Step 6 — Payment: The Licensee pays the agreed fee. PortraitPay AI deducts the 1% platform fee and transfers the remainder to the Licenser within 5 business days.

IMPORTANT LEGAL NOTES

All contracts are governed by the laws of the State of California, USA. Disputes fall under the exclusive jurisdiction of Los Angeles County courts.

Face verification at signing ensures that the person signing is the legitimate owner of the portrait. This creates a strong chain of evidence if disputes ever arise.

All contract data is securely stored by the platform, providing a verifiable record that can be referenced in any dispute. This provides legal-grade evidence that can be used in court proceedings.

PortraitPay AI charges a flat 1% platform fee on all transactions. No hidden fees. No recurring charges.

DISPUTE RESOLUTION

If a dispute arises under any PortraitPay AI contract, both parties agree to first attempt resolution through our partner lawyer network mediation process. If mediation fails, disputes shall be submitted to binding arbitration in Los Angeles County, California, under the rules of the American Arbitration Association.

PROHIBITED USES

The Licensed Portrait may NOT be used for any of the following purposes:

- ☐ PortraitPay AI contracts do not grant indefinite perpetual rights
- ☐ All contracts have a defined term — please check each contract for duration
- ☐ PortraitPay AI reserves the right to terminate accounts that violate the prohibited use provisions
- ☐ Misuse of the platform for illegal purposes will be reported to authorities
